

Door Lock

The SmartCode Lever with Home Connect Technology featuring Z-Wave enables the door lock to wirelessly communicate with other devices in home. The lock allows the user through a web enabled device to remotely check the door lock status, lock or unlock the door and receive text or email messages.

The perfect solution for home office, storage room, or interior garage door where the security of a deadbolt is not required.

Featuring SmartKey® Re-key Technology. The lock you can re-key yourself in seconds

SmartKey cylinders feature a stainless steel side locking bar, racks and pins for increased strength and security. Patented side locking bar technology offers improved security by protecting against lock bumping, an attack technique used to defeat conventional pin & tumbler locks.

Lifetime mechanical and finish warranty. 1 year electronics warranty.
